Training/Certificates

Michigan State University — *Full Stack Coding Bootcamp*

January 2021 - July 2021

EXPERIENCE

Nanny, Grand Rapids, MI— *Nanny Extraordinaire*

August 2016 - March 2019

Sustaining a relationship with the parents, exposing the children to new activities and educating them along the way, keeping up with minimal household chores, arranging playdates

Whistle Stop Child Development Center, Grand Rapids, MI— *Lead Teacher*

August 2015 - August 2016

Maintaining a mentally organized work environment for my assistants and students. Responsible for making sure assistants were trained, out on time, classroom cleaned, myself and assistants were maintaining a positive relationship with parents and meeting their goals for their children, and assigning tasks to volunteer assistants with disabilities.

AppleTree Early Care/Preschool, Grand Rapids, MI — *Team Lead & Lead Teacher*

July 2014 - July 2015

Responsibilities include, lesson planning, maintaining a relationship with parents and meeting goals for their children, training new staff members, supervising four classrooms and associated staff members. Ensured that staff clocked out on time and in order, classrooms were clean at the end of day, keeping count of the number of children in each room and the building, rotating toys/books amongst rooms, and assigning tasks to the staff.
